

REPORT OF REVISED BASIC COURSE CONDUCTED AT MALABAR MEDICAL COLLEGE UNDER AGENSIS OF REGIONAL CENTER OF MEDICAL EDUCATION TECHNOLOGIES, KOZHIKODE

MEDICAL EDUCATION UNIT of our college had conducted a three day **Revised Basic Course Workshop** from 24th June to 26th June, 2021 under the aegis of Regional **Center of Medical Education Technologies GMC Kozhikode**. 30 faculties of our college were trained under this workshop under the observer ship of **Dr Geethu** from GMC Kozhikode. Sessions were taken by MEU members and faculties who have undergone RBCW at Regional centre, MET, Kozhikode.

Workshop was inaugurated by **Dr P V Narayanan**; Principal of MMC All participants were introduced through Ice breaking session. Interactive sessions dealt with group dynamics, principles of adult learning. Recent changes in the curriculum (**CBME curriculum**) were discussed in detail with special emphasis laid upon Indian Medical Graduate.

Workshop were conducted to make objectives from competencies , Teaching learning methods from didactic lectures to e- learning were dealt in detail with special emphasis on Self directed Learning methods which was encouraged in the new CBME Curriculum. Participants gave their feedback regarding the new teaching methods they practiced in this Pandemic period. From teaching methods the stress was laid upon assessment methods and types. Various new clinical assessment methods were introduced and the faculties were encouraged to use them in teaching practice. They also learnt how to set up question papers with different types of questions, assessment methods were aligned with teaching learning methods through workshops. Participants were encouraged to give feedback through Reflections and Recap of the sessions held.

AETCOM module was introduced and the use of Skill Lab in the institute was emphasized for the smooth conduct of CBME curriculum. Creative methods to implement AETCOM through Role play were done.

Completion certificates were distributed to faculties by Chairman, Sree Anjaneya Trust, Sri V Anil Kumar and the observer Dr Geethu at the Valedictory function
